## Education

Colorado State University, Fort Collins, CO, May 2021

Bachelor of Fine Arts, Concentration in Fibers and Art Education, Cum Laude

## Experience

### Content Developer and Education Specialist, Schacht Spindle Company

May 2021 - present, Boulder, CO

Curriculum development and execution of online, live online, and in-person courses for the Schacht School of Textile Arts. Technical editor, producer, graphic designer, and web developer for courses, promotional videos, and monthly community outreach. Courses focus on student achievement and deepening knowledge of techniques while promoting creative exploration. Courses provide students with videos/live demonstration, diagrams, and written instruction in a welcoming environment to ensure success. Photography and marketing assistant. Rigorous testing in product design and prototyping.

### Student Teacher

January - March 2021, Fort Collins High School, Fort Collins, CO

Teaching a total of 134 students. Planned and taught lessons in three dimensional (Sculpture) and two dimensional classes (Photography and Drawing). Sculpture lessons using oven-baked clay, paint, found objects, etc. Focus on developing technical skill and exploring conceptual approaches. Photography lessons that develop Photoshop skills and focus on creating conceptual art. Formative and summative assessment techniques that give students thorough feedback on the development of ideas and projects. Assisted with National Art Honor Society.

April - May 2021, Beattie Elementary School, Fort Collins, CO

Teaching a total of 224 students. Planned and taught lessons using the TAB (Teaching for Artistic Behavior) approach. Focus on creative thinking, problem solving, ideation, and exploration. Introduced fibers, collage, drawing, sculpture, and painting studio bags where students are encouraged to explore and create meaningful art.

### Teaching Assistant for Fibers I

August - December 2020, Colorado State University, Fort Collins, CO

Demoing, assisting, and critiquing 12 CSU Fibers I students in fibers techniques such as weaving, screen printing, dyeing, embroidery, etc. Cleaning and maintaining the studio so that all students are able to work in the space.

### CSU Fibers Guild President

August 2020 - May 2021, Colorado State University, Fort Collins, CO

Planning all events and meetings for the CSU Fibers Guild. Mask project for the Gregory Allcar Museum of Art.

### Lab Assistant

August - December 2020, Colorado State University, Fort Collins, CO

Monitoring and assisting students working with laser engraver, 3-D printers, etc.

### Teaching Assistant for Fibers I

January - May 2020, Colorado State University, Fort Collins, CO

Demoing, assisting, and critiquing 7 CSU Fibers I students in fibers techniques such as weaving, screen printing, dyeing, embroidery, etc. Cleaning and maintaining the studio so that all students are able to work in the space.

## **Beattie Elementary Practicum Teaching**

August - December 2019, Fort Collins, CO

Teaching and lesson planning for 4th and 5th grade (25 students in each class) Wonder Lab Classes where students are encouraged to explore, problem solve and ideate in art making.

## **BRAINY Tour Leader**

August - December 2019, Title I Schools, Fort Collins, CO

Leading groups of 7-8 4th grade students on a tour through the Gregory Allicar Museum of Art. Encouraging students to interpret art based on observations, asking questions to get students to think critically about art and art making.

## **Weaving Internship at Schacht Spindle Company**

May - August 2019, Boulder, CO

Warping and weaving on floor looms, rigid heddle looms, inkle looms, etc. for Schacht's 50th Anniversary and Fiber Fest.

## **Artistic Abilities Pottery Teacher**

March - April 2019, Colorado State University, Fort Collins, CO

Planning and teaching 5 lessons to 8 adults with disabilities in the medium of ceramics. Focus on differentiation in Art Education.

## **Mentor for Art International Baccalaureate Program Fifth Grade Exhibition Project**

April - May 2017, Bennett Elementary School, Fort Collins, CO

Mentoring students in the development of their exhibition and research around art making.
